A Message from GRCI's President

I hope this e-blast finds you and your dogs well. It was nice to see so many of our members this past Sunday at the health clinic. It was one of the biggest attended clinics we have had in years. Big thanks to Pat Covek and her committee for keeping things organized and under control. Also we need to thank member Mark Rusley for so graciously allowing us to use his veterinary office. Next up is our Hunt Test on May 7 and 8. I encourage you to volunteer or come out and watch what our breed was bred to do. In June we have our Specialty on Saturday, June 18. Then in July we host an Agility Trial. So, as you can see we are very busy the next few months. I hope you can participate, volunteer or come by and watch these great events. A lot of hard work goes into organizing and putting on these different events. It is well received when our members come out to show their support. Many thanks to the board members and their committees, who have so worked so hard planning what will be a very busy and exciting year. I look forward to seeing so many of you compete and volunteer in the coming months. If you have any articles or "Wags and Brags" send them to Cathy Williams.

Sincerely,
Hal Axelrod

They will teach us "first level" games we can play with our dogs to encourage handler awareness, distraction training and impulse control in a positive, interactive manner. These behaviors are for the foundation of the performance and the companion dog. The games Robin and Andie will present and demonstrate are applicable to all dogs, and will help us succeed in all of the areas

GRCI MEMBERS AND FRIENDS

The Specialty is fast approaching and it's time to donate items or money for the Auction. Thus far we have only 7 donors, including one Board member. We can use canine themed pictures, dog toys, crates, folding chairs, gift cards, jewelry, summer items, etc. Items need to be donated in a clear wrapped basket or a gift bag. The gift bags need to be visually accessible by potential bidders. Used items need to be clean and in good condition. Obviously crates, chairs or other large items won't need to be wrapped.

Since the Specialty will be held in two different locations, we hope to have 1-2 Auction items at the Obedience site. We will need someone to manage the item(s) at this venue. We will also need someone to sell/distribute catalogs at the Obedience site. The same person should be able to manage both the Auction and catalog sales at the Obedience site.

Contact Pat Covek or Laurie Stecker regarding Auction items or for volunteering to manage the Auction and catalog sales at the Obedience venue.

Thanks much,
Pat Covek

Request for New Perpetual Trophies from Kaye Dahlquist and the GRCI Board

Presently the GRCI club offers yearly trophies that recognize outstanding achievements in: Conformation, Obedience, Therapy, Combined-field/bench/obedience, and also for a member's outstanding leadership.

We have never had trophies for Agility or Rally.... Now, since many

members are so active in Agility as well as Rally trials...the club would like to extend an invitation to members who might like to support a trophy recognizing outstanding performance in either of these venues.

Trophies are usually named after, and dedicated in honor of a favorite dog, (current or in memory of) and they vary in size and design. Each year, the most outstanding qualified dog, in each of these categories, will be eligible to be included in the list of elite dogs from years past. A dog/member who achieves this honor will have his/her name engraved on the trophy as a record of their winning performances and get to take home that trophy for the year!
