AKC National Owner-Handled Series

(Remember to check the box near the bottom of the entry form)

The AKC National Owner-Handled Series is a non-titling competition for dogs that are exhibited by their owners that are not professional handlers.

Exhibitors must declare their dog is Owner-Handled eligible at the time of entry on the entry form.

Dogs entered in the Amateur-Owner-Handler class will automatically be marked as eligible to compete in the NOHS.

Eligible dogs will be identified by an asterisk in the judge's book, steward's book and the catalog. Dogs must be handled throughout the breed level competition for the regular show by an eligible owner.

Professional handlers*, household members and current assistants** to professional handlers may not exhibit the dog in any NOHS competition during the entire show. For a detailed description of the National Owner-Handled Series, please visit the AKC website NOHS pages at:

<https://www.akc.org/sports/conformation/national-owner-handled-series/>

**Professional handlers are defined as any person who belongs or has belonged to a professional handlers' organization, distributed rate cards, or otherwise advertised or represented themselves as handling dogs for pay within the last five years.*

***A current assistant is defined as anyone employed by a professional handler on a full-time basis or assisting a professional handler at the show or any time during the cluster/weekend. Current assistants that are eligible to compete in Junior Showmanship (meet age & amateur status requirements) may participate in NOHS.*

BEST OWNER-HANDLED JUDGES

Friday ~ Dr. Jill Warren

Saturday ~ Dr. Steven D. Herman

Attention Owners/Exhibitors of Foreign Registered Dogs

If you are the owner/exhibitor of a dog registered with a foreign registry (not yet dual registered with AKC) please review the eligibility requirements in The Rules Applying to Dog Shows, chapter 11 section 1.

The dog show rules are posted on the AKC Web site at: <http://images.akc.org/pdf/rulebooks/RREGS3.pdf>

Most important to note are the following:

1. Dogs must be individually registered with the American Kennel Club by the day of the event to be eligible for exhibit in the Bred by Exhibitor class.
2. Dogs are eligible to compete in AKC events using the foreign registration for a period of 30 days. That 30-day period begins with the date of first exhibit, *regardless of whether the dog earned any points or awards*. To continue to compete in AKC events beyond the initial 30-day period the dog must be either individually AKC registered or by the date of the event have been granted an extension to exhibit using the foreign registration. The owner or agent can request an extension using the form found on the AKC Web site at: <http://images.akc.org/pdf/extenap.pdf>

If you have questions or need assistance with registration or obtaining an extension, please contact the AKC Special Services Department at: awards@akc.org or (919) 233-9767 (followed by selecting option 4).

The full policy and list of Table and Ramp eligible/required breeds is available on the AKC website at: https://images.akc.org/pdf/judges/table_breeds.pdf

Judges may request the ramp to judge any breed in emergency situations; if granted, unless the use of a ramp has been indicated in the premium list, an exhibitor has the option of withdrawing their entry and receiving a refund. Junior Showmanship judges should follow the above.

We will also recognize any Golden Retriever designated by the Golden Retriever Club of America as an outstanding Sire or as an outstanding Dam. Each dog entering the Honors Parade will be presented with a Rosette with the dog's name & titles on it. Dogs entered in the Honors Parade need not be entered in any other class in this Specialty Show or Obedience Trial but all information must be submitted on an Official AKC entry blank with Honors Parade as well as the title being honored in the space provided for Additional Classes. A brief write-up on the dog's accomplishments may be given to the Show Chairperson on the day of the event to be read aloud. The Honors Parade will be held during the lunch break.

NON-REGULAR CLASSES INVOLVING MULTIPLE DOG ENTRIES

NR2.09100. Stud Dog Class - Will be for Stud Dogs and two of their Get. Stud Dogs must be entered in the Stud Dog Class and must be shown in the ring with their Get. Owner of Stud Dog need not necessarily be owner of the Get. Get only to be judged, based on the merits of the Get. While the merits of the Stud Dog are not to be considered in the placement of the entry, the Stud Dog must be examined to determine if it has a condition that would require its disqualification or excusal under the Dog Show Rules, AKC policy, or the standard for its breed. Get must be entered in a Regular Class, Best of Breed Competition, or some other Non-Regular Class.

NR2.09200. Brood Bitch Class - Will be for Brood Bitches and two of their Produce. Brood Bitches must be entered in the Brood Bitch Class and must be shown in the ring with their Produce. Owner of Brood Bitch need not necessarily be owner of the Produce. Produce only to be judged, based on the merits of the Produce. While the merits of the Brood Bitch are not to be considered in the placement of the entry, the Brood Bitch must be examined to determine if it has a condition that would require its disqualification or excusal under the Dog Show Rules, AKC policy, or the standard for its breed. Produce must be entered in a Regular Class, Best of Breed Competition, or some other Non-Regular Class.

As the judge's decision in the Stud Dog and Brood Bitch Classes will be based on the merits of more than one dog or bitch, none of the dogs or bitches making up the entry judged first in the class will be eligible for Best of Breed or Variety by virtue of having won these classes.

A LIMITED NUMBER OF CATALOGS MAY BE AVAILABLE FOR A DONATION TO THE CLUB.
